

I AM SPECIAL

Read through this poem to remind you that **you are special**. Decorate the page to make it look just as special as you.

In all the world there is nobody like you
Since the beginning of time there has never been
another person like you
Nobody has your smile, your eyes, your hands,
Nobody owns your handwriting, your voice
Nobody can paint your brushstrokes
Nobody has your taste for food or music
or dance or art
Nobody else in the world sees things as you do.

You are Special

In all the time there has never been anyone who
laughs in exactly your way
You different from any other person who has ever
lived in the history or the world
You are the only one in the whole of creation who
has your particular set of abilities
Nobody in the world can reach the quality of the
combination of your talents, your feelings
Through all eternity no one will ever walk, talk, think
or do exactly like you
Your rarer and in all rarity there is enormous value
and
Because of your value the need for you to imitate
someone else is absolutely wrong.

You are Special
